HIPAAAnswers™ is the Web-based service that helps you identify, helps you understand - and helps you DO - the compliance activities for your unique organization.

"The folks at HIPAAAnswers have figured it all out and broken it down into manageable pieces."

Wendy Rider, Business Office Supervisor, Metropolitan Urologic Specialists, St. Paul, MN

The image displays several screenshots of the HIPAAAnswers web application. The top-left screenshot shows the main dashboard with a navigation menu (HOME, EDUCATE, ASSESS, PLAN, IMPLEMENT, UPDATE, HELP, LOGOUT) and a calendar for August 2002. The top-middle screenshot shows a 'Compliance Strategy Name' form with a description: 'Create compliant documentation and training regarding access by individuals'. The bottom-left screenshot shows a form titled 'Access to Individual's PHI' with sections for 'Introduction' and 'Question'. The bottom-right screenshot shows a '5 STEPS TO HIPAA COMPLIANCE' diagram with steps: 1. Educate, 2. Assess, 3. Plan, 4. Implement, 5. Update.
